MAIN INGREDIENTS

EstroG-100™

It is the name of three herbal root extracts (Phlomis Umbrosa-32.5%, Cynanchum Wilfordii-32.5%, and Angelica Gigas-35%). Helps improve menopausal symptoms in perimenopausal, menopausal and postmenopausal women.

Phlomis Umbrosa

Anti-osteoporosis, anti-allergic, antibacterial, anti-inflammatory, antioxidant, anticancer. No toxicity and side effects.

Cynanchum Wilfordii

It has the effect of inhibiting bone resorption and promoting bone formation, and has a beneficial effect on postmenopausal osteoporosis.

Angelica Gigas

Regulates menopausal symptoms, reduces tidal fever, relieves sleep disturbance and fatigue, and also treating night sweating during perimenopause.

Longan and Red Date Juice Powder

Treats insomnia and neurasthenia. Warms the spleen and stomach, tonifies qi and blood, balances yin and yang, and relax the nervous system.

Goji Extract

Contain antioxidants which are known to boost immune system and fight harmful free radicals and inflammation.
