ACTIVE INGREDIENTS

Sodium Hyaluronate

Restore skin moisture, promoting a more revitalized and youthful complexion. It also revitalizes skin's outer surface layers, so feel softer, smoother and radiantly hydrated. This instantly improves the appearance of fine lines and wrinkles.

Vitamin E

Its antioxidant properties, which could fight inflammation and slow the effects of free radicals, and its moisturizing properties that help to moisturizes the skin.

Vitamin C

Vitamin C helps boost antioxidant protection to neutralize the effects of UVA and UVB rays in tandem with helping to reverse visible signs of sun damage.
