

GERANIUM

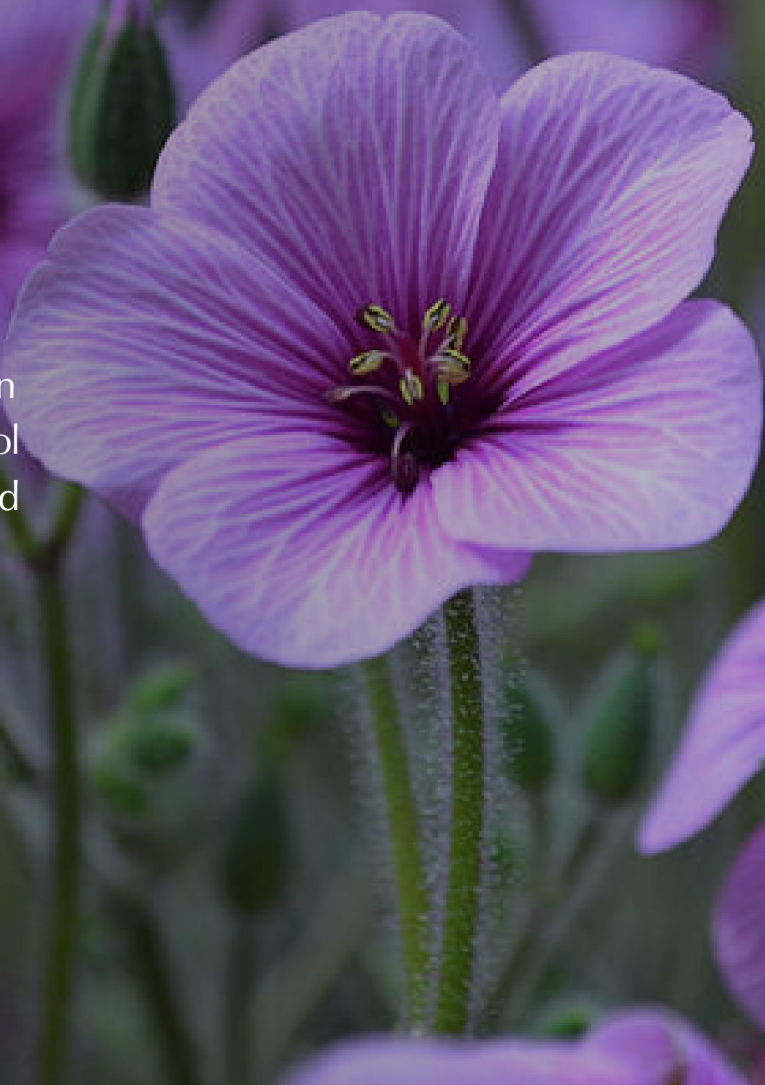

IN CARRIER OIL

GERANIUM ESSENTIAL OIL

Geranium oil has a rosy floral fragrance that inspires a smile. It supports a feeling of relaxation and invigoration. It also calms inflammation and soothes the skin. Geranium is cool and moisturizing, clears away heat and detoxifies, can soothe the nerves, relax the tendons and activate the collaterals.

Geranium oil is also popular in skin care because it balances sebum production.

Superior Efficacy

- Skin glow
- Feel Relaxed and Uplifted
- Calm Inflammation
- Relieve Headache
- Menstrual Problems
